

St. Augustine-Palm Coast Council Named “Outstanding” by Navy League of the United States

The St. Augustine-Palm Coast Navy League has been recognized as an Outstanding Council by the national Navy League of the United States for 2013. Of the more than 250 Councils world-wide, only 14 received this designation.

Each council is judged on their performance in eight areas: Support of the Sea Services; Membership Retention; Membership Growth; Community Education Activities; Youth Activities; Council Activities, Public Affairs Activities, and, Legislative Outreach Activities.

Our council plans to continue our record of excellence in the years ahead and welcomes any and all who wish to become more active members, or join the council as new, active members. We offer many volunteer opportunities to help expand and improve our activities and service. Here’s a short list of areas where we have need:

- **Membership – recruiting and retention, fund raising, community outreach**
- **Meeting and Special event planning – council meetings, mixers, trips and tours, seasonal celebrations**
- **Military Support – Liaisons and assistant liaisons to our Navy, Coast Guard, and Marine Core adopted units. Also, assistance in the preparation and presentation of awards.**
- **Youth Programs – Help support our programs for the Sea Cadets and JROTC**
- **Annual Golf Tournament – planning, recruiting sponsors and players**

Contact our council President, Mike Zollar, if you are interested in becoming a more active member or a new member: MIKZOL8671@ATT.NET, 904-460-1251.
